His account covers a great breadth of description of the state of Oregon from natural history to business and climate, from the coast through the great Willamette Valley to the reaches of central and eastern Oregon. It is not travelogue but a comprehensive description in the most positive light to encourage others to follow his example to settle in the state of Oregon, so full of promise. - Summary by Larry Wilson</p> </div> <div data-bbox="236 1462 1197 1498" data-label="Text"> <p>Read by volunteer readers. 31 Tracks.
